(*Safety Mode*)
Bolt holdback by knob.
(*Passage Mode*)

Lockwood Paradigm™ 005 Deadbolt

Paradigm™ 005 Deadbolt Features

DualSelect Locking

Two external locking modes - **Safety Mode** and **Secure Mode**.

By rotating the key 90° the lockset bolt can be thrown achieving external security whilst the internal turnknob is free to exit (**Safety Mode**).

By rotating the key a further 45° to the second click, the bolt will now be secure on both sides of the door (**Secure Mode**).

SafetyRelease

SAFETYRELEASE automatically unlocks the internal knob upon entry.

LockAlert

The Paradigm 005 Deadbolt also has the unique Lockwood **LOCKALERT** status indicator that shows at a glance the lockset mode. The lockset can operate in three modes: **Secure Mode**, **Safety Mode** and **Passage Mode**.

Counterbalance Bolt

The Paradigm 005 Deadbolt has been designed to achieve the highest possible Australian Standard door lock security rating via the **Counterbalance Bolt**, which proportionally distributes the load between the door and door frame.

Secure Mode

Locked from both inside and outside

Safety Mode

Locked from outside and free to exit from inside

Passage Mode

Free to enter from outside and free to exit from inside

ASSA ABLOY

Lockwood Guarantee

ASSA ABLOY Australia Pty Limited ("ASSA ABLOY") guarantees its Lockwood products against defects in workmanship and materials. If within the normal working life of a product it is found to be defective, ASSA ABLOY will supply the same or equivalent product free of charge. All electrical and electronic components used in ASSA ABLOY's range of products excluding batteries are guaranteed for a period of 12 months from the date of proof of purchase, unless stated otherwise.

ASSA ABLOY assumes no liability under the guarantee for the following:

1. Improper installation or failure to follow fitting instructions.
2. Failure due to improper maintenance.
3. Failure due to fair wear and tear.
4. Indirect or consequential loss or damage.
5. Cost of removal and/or replacement.

6. Cost of freight and/or travelling time.

7. The plated finishes Florentine Bronze, Architectural Bronze, Polished Brass, Gold and Satin Brass, "which" are classified as soft finishes. As deterioration is possible under some environmental conditions, these finishes are excluded from this guarantee.

8. Any modification or repairs to a product, as supplied, unless authorised by ASSA ABLOY Australia Pty Limited.

9. Use of replacement parts other than authorised parts.

10. Malfunction or failure of the product due to the use of non-genuine Lockwood parts.

11. Malfunction or failure of the product due to the use of non-specified batteries.

Nothing in the ASSA ABLOY Australia Pty Limited guarantee excludes, restricts or modifies any condition, warranty, right or liability implied or protected by law where to do so would render the Guarantee, or any part of it, void.
